

4.5

NABERS

WATER

The GPT Group

Achieved 4.5 star NABERS Water rating for

AMP Centre
750 Collins Street
DOCKLANDS VIC 3008

Rating valid until

January 2020

NABERS is a national initiative managed by the New South Wales Government - Office of Environment and Heritage on behalf of the Commonwealth, State and Territory Governments. This NABERS Rating is based on operational and quantitative data collected for the rated site. More stars indicate better performance and environmental outcomes.
